

MWT-2101A2

WALK THROUGH METAL DETECTOR

Walk through metal detector is used to check metal objects hidden in the body, such as guns, controlled knives, etc. It is available for all security entrances.

FEATURES

- Low power consumption, multi-zone continuous accurate alarm
- Multi-frequency work with strong anti-interference
- Modular design parts can be plugged and inserted, easy to install and troubleshoot
- If International leading digital pulse counting with stable performance

TECHNICAL DATA

Power Supply	AC85V-264V/50-60HZ
Power Consumption	≤12W
Alarm Sound Intensity	≥98db
Detection Zone	6 zones
Inner Size	2000mm*710mm*500mm(H*W*D)
Outer Size	2230mm*830mm*580mm(H*W*D)
Package Size(2 cartons)	820*480*300mm, 2340*680*260mm
Net Weight	65kgs
Gross Weight	75kgs
Working Environment	Temperature -20°C - +55 °C
Humidity	0-95% non-condensing

FUNCTIONS

- **Display Panel:** High Brightness LCD display shows pass number and number of alarms
- **Alarm Settings:** Sound and Light Alarm at the same time, alarm time and volume can be adjustable
- **Sensitivity:** Zone Sensitivity and overall sensitivity is adjustable
- **Precise Positioning:** Six independent distribution of independent detection areas can accurately locate and visually display the position of the target
- **Counting Function:** Count Passenger flow intelligently and alarm technology functions
- **Waterproof Design:** Imported waterproof synthetic fiber material, made by precise processing technology
- **Password Protection Setting:** Easy to manage with password protection function
- **Safety Standards:** In line with current international safety standards, using weak magnetic field emission technology, harmless to pacemaker wearers, pregnant women, floppy disks, video recordings, etc

APPLICATIONS

- **Government:** Military, Public Security Organizations, Procuratorates, Courts, Prisons, Detention Centers
- **Traffic:** Airports, Customs, Stations, Metro
- **Civilian:** Factories such as Hardware, Electronics, Jewelry, Coinage or large company
- **Others:** Mines, Stadiums, Exhibition Venues, Entertainment Venues, Large Gatherings
